**Paramount**  
**Global**

Committed to shaping your trading journey

## Keeping it quick and easy

Now start trading with world's finest partner in just few clicks and start grabbing your share in this huge financial market.

## Making it free for you

No commission and free account opening are our offers to help you start with no worries and more confidence.

## Delivering the best platform

Actual trading starts with the best platform offering you easy and proven tools to predict the trend. And this is what we offer you.

## Unique trading experience

Lower spread, maximum leverage, variety of accounts, and round-the-clock support are only to make your trading experience phenomenal.

# Pro in financial market & need a true partner?

**Paramount**  
**Global**

Committed to helping you create a wealth pool

## Best trading platform

A trading platform well-equipped with technical tools and indicators enabling you to exercise your skills and knowledge to make it big out of your trading.

## Multi-assets trading option

Abundance of instruments to make handsome gains in the market or to diversify portfolio trading in forex, crypto, commodities, stocks, indices, and more.

## Industry's best ratio

Pips as low as zero, highest leverage, best margin call, and stop out with fast execution of trades and customized services enable you to focus entirely on your trading.

## Accounts that suits you

We offer you a variety of accounts, helping you go with the one most suitable to your trading style and requirement. Choose the right one and get started.

Paramount Global has an outstanding global presence and that's because of our client's all over the world.

Let's see what our clients have to say about us:

I was a bit worried while entering the financial market, but it vanished with Paramount Global.

The entire team of Paramount Global helped me and enabled me to establish myself as a profit making trader in the global financial market. A big thanks to you guys!

Choose the best, and the best will come to you. It turned out to be exactly true in my case. I choose Paramount Global as my trading partner, and I never regret my decision. Support, expertise, variety of options, best trading platform. What else is needed?

Superb!

This is all I can say about you guys. It's been a good experience with you, and I never had any issue which held me back from my smooth trading experience.

A true partner if anyone is aiming big in the financial market.

I will surely recommend Paramount Global to everyone, whether naive or pro. You get everything you need to have an outstanding trading experience.

And I don't think anyone should miss the chance, to begin with, Paramount Global.

I'm happy to share my experience with Global Paramount.

I can ensure you the best support and professional experience. The team always aims at letting you flourish in the market, and its confident solutions and expertise help you make big out of it.

Such wording we better avoid

My eight years with Paramount Global have been incredible. And it's not only because of its professional services or expertise but there was something more.

Its support and commitment to making you a profitable trader was something that mesmerized me.
